Dear Flag Football Coaches,

Thank you for applying to coach an Olympus Sports Coliseum Flag Football team. Your involvement is greatly appreciated. To coach, every volunteer coach must have their fingerprints on file. I have enclosed a fingerprint form that you can take to a variety of locations (listed on the form.) Please return one copy of the completed form to Rashad Williams Sr at Olympus. We are requesting that you get your fingerprints done **as soon as possible** to avoid any delays at the beginning of the season. **You will not be allowed to participate in the draft on Player Clinic Day if your fingerprints are not clear.** If you have coached at Olympus before or have been fingerprinted within the last few seasons, more than likely you will not have to be printed again this season. Feel free to contact me to confirm if your prints have been cleared.

The next step will be attending the **MANDATORY** Coaches' Clinic that is scheduled for Wednesday January 31st, 2018 from 7:00 – 9:00 p.m. at Olympus Sports Coliseum. We will be covering information that will help you have a positive coaching experience this season.

If for any reason, you are unable to keep your commitment of head coaching, please contact me as soon as possible to allow Olympus Sports Coliseum ample time to find additional coaches. If you have any questions, please feel free to contact me at (916) 583-8131 (Youth Services Hotline), 916-666-9741 (Olympus Front Desk) or by email to Rashad.olympus@gmail.com Thanks again for your involvement this year. We are looking forward to a great season!
